It is the biggest employer after agriculture. In order to meet the skill gap in the industry and also to supplement its efforts initiated through the Special Package for Garments and Made-ups, the Government has approved the new scheme titled “Scheme for Capacity Building in Textile Sector (SCBTS)” for the entire value chain of textile except Spinning and Weaving in the organized sector, for a period of three years from 2017-18 to 2019-20 with an outlay of Rs.1300 crore.
